

California Track & Running News

www.caltrack.com

2009

Received in the homes of 16,000-plus track & field, cross country, long distance running and race walking enthusiasts in California six times a year! These 20,000 break down to approximately 14,000 adults and 6,000 youth athletes and their families, as well as all head high school and college track coaches in California.

California Track & Running News is an association publication dedicated to the improvement of both the image and the performance of California athletes in the disciplines of track & field, cross country, long distance running and race walking. We take a grassroots approach to improving the quality of information available to the 20,000-plus serious athletes in these disciplines who are members of the four California and Northern Nevada USA Track & Field associations, by becoming their official source of information.

The Bottom Line: We'll help you reach California's "most frequent users." *California Track & Running News* will help you reach the "10 percent who influence the 90 percent" for race entries, footwear, uniforms, sweats, specialty store advertising, food supplements, track & field equipment, business equipment, travel and much more. The four USA Track & Field associations make up the backbone of our sport in California's running community—from serious athletes to fitness runners. Support the magazine that has its finger on the pulse of California's finest athletes and coaches—the 16,000 households receiving *California Track & Running News*! 10,000 fitness runners now get reprints of the *Runner's Schedule Calendar* each and every issue!
